DUMPED CARAVAN ON UPPER ROAD, ADGESTONE.

Brading Town Council reported the dumped caravan to Island Roads who are keeping us updated with the situation.

The latest update received is below:

“Our district steward has attended and placed a sticker on the caravan to confirm that we are investigating its appearance.

We will now be writing to the DVLA to see if they have up to date correspondence details for the Registered Keeper (RK). We will then write to the RK requesting confirmation of their interest in the caravan and removal of such.

If the RK responds and confirms that they maintain an interest in the caravan, then our abandoned vehicle process ceases as the caravan cannot be considered abandoned if it has an owner. If we do not receive a response from the RK, we will then look at further steps under our abandoned vehicle process.”
