# ISLE OF WIGHT

SUNDAY 11 SEPTEMBER 2022

## TOUR OF BRITAIN

## CYCLING EVENT

SUNDAY 11TH SEPTEMBER 2022

It is the first time this iconic race has been hosted on the Island and the event will offer an amazing sporting spectacle.

19 of the world's top teams and over 100 of the world's best road riders will set off from Ryde on a gruelling 150km race across the Isle of Wight finishing with an exhilarating climb for the title at the Needles Battery finish line.

Sections of the race from the Yarbridge Inn out of Sandown and through Shanklin towards Ventnor will be less fast paced, making for great spots to see more of the action and take photographs.
