Vaguely Sunny
presents

Nina Ross

Featuring:
Tom Barker - Keys
Jon Thorne - Bass
Chris Jones - Drums

Enjoy an evening of nature inspired jazz music over the ruins of this atmospheric and historic building.

With storytelling at the fore Nina's quartet deliver known and less well known standards from the American songbook such as Skylark and Wild is the Wind along with a jazz approach to contemporary songs by the likes of Joni Mitchell and David Bowie.

Nina sings with a purity of sound and a touch of folk,
"Like a bird in the dark, Lit by the moon."
She weaves her way through the shifting lines
between dark and light.
